

# 43

# 43RD ANNUAL SOUTHERN CALIFORNIA VISION THERAPIST FORUM

**23-24 FEBRUARY, 2018**

**BAHIA RESORT HOTEL  
SAN DIEGO/MISSION BAY**

**Speaker:  
Jessica Stevenson, COVT**

Under the  
auspices of the  
Optometric  
Extension  
Program  
Foundation Inc.

Join us at the Bahia Resort in beautiful San Diego California for this two day, hands on, multi faceted experience. This course offers an ideal learning opportunity for all levels of Vision Therapist experiences (entry-level, intermediate or seasoned). This lecture will provide participants with hands on opportunities to role play and create activities and materials that can be implemented immediately in their offices. Case studies will be explored to learn how flexibility of thought and care is essential in this special population.

- **Featuring Jessica Stevenson, COVT**
- **12 hours of continuing education credit sponsored under the auspices of OEP**

**Jessica Stevenson, COVT**  
**Certified Vision Therapist and Clinical Director**

Jessica Stevenson graduated from Capital University with Presidential Honors in Biology and Chemistry in 1998. She is the Clinical Director of Vision Therapy at The Solution Center and Professional VisionCare, where she has been an integral part in the developmental of treatment

programs for autism, traumatic brain injuries, and athletes. In 2001, she became one of only three nationally certified vision therapists in Ohio. Since that time, Jessi has served as a mentor to dozens of other therapists helping them to also achieve their certification. She was part of the team that created VT 201 curriculum and lectures nationally to fellow therapists and behavioral optometrists. This work has allowed the number of certified therapists to grow not only in Ohio, but also internationally.

Jessica has a love for the special needs population with her greatest interest in the autism community. In 2015, Jessi was awarded the international Vision Therapist of the Year award for outstanding dedication to the field of optometry and patient care.

In January 2010, Jessi became a marathoner by completing the Walt Disney World Marathon as a part of a Team in Training benefiting the Leukemia Society. Jessi lives in Westerville with her husband Preston and her children, Lincoln and Lola.
