

Poster Presentations ▶ COVID 43rd Annual Meeting

- 1. Private-Practice Residency Program in Pediatric Optometry and Vision Therapy/Neuro-Optometry**
Derek Tong, OD
- 2. Case Report: Successful Treatment of Adult Refractive Amblyopia**
Jennifer S. Simonson, OD
- 3. Association Between Reading Speed, Cycloplegic Refractive Error and Oculomotor Function in Reading Disabled Children Versus Controls**
Patrick Quaid, MCOptom, PhD
Trefford Simpson, BSOptom, MSc, PhD
University of Waterloo School of Optometry and Vision Science
- 4. Reversal of Altitudinal Visual Field Defect in a Pediatric Patient with Ehlers-Danlos Syndrome**
James Kundart, OD, MED
College of Optometry at Pacific University
Vivian Diep, OD
- 5. Use of the Wayne Saccadic Fixator to Encourage Proper Usage of Peli Prisms in Hemianopia Secondary to Acquired Brain Injury**
Christina Esposito, OD, Southern College of Optometry
Vladimir Yevseyenkov OD, PhD
Midwestern University Arizona College of Optometry
- 6. Using Vision Therapy to Maximize Visual Efficiency for Low Vision Patients with Central Scotoma**
Rebecca Marinoff, OD, SUNY College of Optometry
- 7. Assessing Speed of Prism Movement During Phorometric Vergence Testing**
Cade Kowallis, BS
Paul Harris, OD
Southern College of Optometry
- 8. A Comparison of Referral Rates from Screening Visual Acuity Alone and with the Addition of Accommodative and Verence Facility Testing**
Jordan Rothlisberger, BS
Patricia M. Cisarik, OD, PhD
Southern College of Optometry
- 9. A Comparison of Self-Reported and Assessed Auto-stereogram Skills with Cognitive Learning Style as Measured by the Group Embedded Figures Test**
Patricia M. Cisarik, OD, PhD
Jordan Rothlisberger, BS, Southern College of Optometry
- 10. The Power of Vision Therapy and its Effect on the Attention Deficit Disorder Diagnosis**
Alicia Feis, OD
Midwestern University Arizona College of Optometry
Christina Esposito, OD, Southern College of Optometry
- 11. Treatment of Amblyopia and Optic Atrophy with Vision Therapy**
Mohamed Moussa, MBBCh, MSc, OD
Abeer Ahmed, MBBCh, MSc,
Jawad Ul-Hassan, DO
Zainab Zahid, BASc
Vision Therapy and Research Centre Windsor, ON
Western University of Health Sciences
- 12. The Natural History of the Oculo-Visual Anomalies Associated with Traumatic Brain Injury (TBI): A Case Report**
Dominick M. Maino, OD, MED
Darrell G. Schlange, OD, DOS
Illinois College of Optometry
- 13. The Application of Yoked Prisms and Visual Rehabilitation in the Treatment of Visual Midline Shift Syndrome**
Lisa W. T. Christian, BSc, OD
Tammy Labreche, BScH, OD
Kayla Beattie, BSc
Kamila Duplak, BSc
University of Waterloo, School of Optometry and Vision Science
- 14. An Evaluation of Anisometropia and Amblyopia Using the Playstation 3D**
Cade Kowallis, BS
Jordan Netzel, BS
Marc B. Taub, OD, MS, Southern College of Optometry
- 15. Investigation of Aldose Reductase Inhibitory and Antihyperglycemic Potential of 2, 4-Thiazolidinedione Derivatives and Evaluation of Their Protective Effect Against Galactose Induced and STZ Diabetic Cataract in Rats.**
Prajapati Chirag Amrutlal, M.Pharm
APMC College of Pharmaceutical Education and Research
Arpita A. Vyas, M.Pharm
S.K. Patel College of Pharmaceutical Education and Research

- 16. Patient Education Initiatives to Help Outsmart Developmental Delays**
Sarah Lane, OD, RYT, HBC
Rochelle Mozlin, OD, MPH
SUNY College of Optometry
Patricia Lemer
Samantha Moody
- 17. Vision Therapy for Homonymous Hemianopsia**
Jessi Lee, OD, Southern College of Optometry
- 18. Vision and the Alpha Brain Wave**
Joseph N. Trachtman, OD, PhD
- 19. MTHFR, Hypotonia, and Vision**
Joseph N. Trachtman, OD, PhD
- 20. Through the Looking Glass: The Vision Therapy and Rehabilitation Service at Southern College of Optometry**
Lindsay Durtschi, BA
Marc B. Taub, OD, MS, Southern College of Optometry
- 21. The Pediatric/Vision Therapy Residency at the Pennsylvania College of Optometry**
Jenny Myung, OD
Ruth Y. Shoge, OD
Pennsylvania College of Optometry at Salus University
- 22. Double Trouble? Esotropia in Premature Identical Twins**
Laura R. Ashe, OD
Pamela H. Schnell, OD, Southern College of Optometry
- 23. Null Point Change in Nystagmus: A Case Report**
Kara Tison, OD, Southern College of Optometry
- 24. Essence of Vision Stimulation to Initiate the Eye Contact and Learning of a Child with Autism**
Teresita R. Yambot, OD, MEd, MSO, FPAO
Elena C. Borromeo, OD, MSO
Maria Pia Laurene R. Yambot, BSN
John Kirby Casillan, OT
Carlo Federico R. Yambot
- 25. Assessing and Managing Functional Vision Needs in a Patient with Cervical Dystonia and Parkinson's Disease**
Shawn Andrus, OD
Michigan College of Optometry-Ferris State University
- 26. Prescribing Unequal Adds as a Treatment for Uniocular, Pseudoaphakic Children with Amblyopia**
Gail Orlandy, OD
Jenny Myung, OD
Pennsylvania College of Optometry at Salus University
- 27. Optometric Management of Intermittent Exotropia of the Divergence Excess Type Post Strabismus Surgery**
Surbhi Bansal, OD
Nova Southeastern University, College of Optometry
M.H. Esther Han, OD, SUNY College of Optometry
- 28. The Consequences of Electronic Device Use on Children's Performance**
Alexandra Talaber, OD, SUNY College of Optometry
- 29. Consequences of Electronic Device Use on the Musculoskeletal System**
Alexandra Talaber, OD, SUNY College of Optometry
- 30. Are Optometrists Discussing Smoking Habits with their Patients?**
Susan Evans
Marc B. Taub, OD, MS, Southern College of Optometry
- 31. Environmental Health: Understanding and Enhancing Health From A Developmental Perspective**
Rochelle Mozlin, OD, MPH
SUNY College of Optometry
Sarah Lane, OD
Patricia Lemer
- 32. Association of Accommodative Amplitude and Lag with Attention Deficit/Hyperactivity Disorder**
Sarah Hinkley, OD
Michigan College of Optometry-Ferris State University
Kristen O'Beirne Naszradi, OD
Abigail Veldkamp, OD
- 33. InfantSEE® Awareness Among Michigan Pediatricians**
Karen A. Kehbein, OD, Southern College of Optometry
Pamela Reckow, OD
Whitney Presto White, OD
- 34. Ocular Manifestations of a Patient with Rubinstein-Taybi Syndrome**
Mary Bartuccio Valentino, OD
Southern College of Optometry
Jenna Liechty, OD
Marc B. Taub, OD, Southern College of Optometry

35. One National Disgrace We Can Fix!

Katie Johnson, MA
Nancy Torgerson, OD

36. Vision Therapy Management of Cranial Nerve VI Palsy

Janette Dumas, OD, Southern College of Optometry

37. Expansion of Vision Services Within the Illinois Eye Institute at Princeton Vision Clinic Beyond Primary Eyecare

Sandra Block, OD, MEd
Melissa A. Suckow, OD, Illinois College of Optometry

38. Brain Injury Vision Symptom Survey (BIVSS): Preliminary Comparison Data and Rasch Analysis

Hannu Laukkanen, OD, MEd
College of Optometry at Pacific University

39. The Vision Rehabilitation Residency Programs at Southern College of Optometry

Marc B. Taub, OD, MS
Pamela H. Schnell, OD
Paul Harris, OD
Sharon Lee, OD, Southern College of Optometry

40. Prevalence and Management of Amblyopia in Puerto Rico

Katerin Ortiz, OD
Hanna Eastman, OD
Inter American University, School of Optometry

41. A Case Report – Establishing Binocular Vision in an Adult Strabismic Amblyope

Silvia Han, OD
Michael Gallaway, OD
Teng Leng Ooi, OD, PhD
Pennsylvania College of Optometry at Salus University

42. VT and OT: A Partnership Worth Pursuing

Pamela H. Schnell, OD
Laura R. Ashe, OD, Southern College of Optometry

43. The Genesis of Computer Orthoptics: A Randomized Controlled Comparative Study

Doug Major, OD
Nancy J. Major, BS, MS
Patrick Piroette, OD

Paper Presentations

The Role of Visual Perception and Neuropsychological Functioning in Predicting Actual Game Performance in Division I Collegiate Hockey Players

Dmitri Poltavski, PhD, University of North Dakota
David Biberdorf, OD

Predicting Binocular Dysfunction with the Convergence Insufficiency Symptom Survey (CISS)

Chris Chase, PhD
Chunming Liu, PhD, OD, MD
Kristy Remick-Waltman, OD
Efrain Castellanos, OD, MS
Sandy Tran, BS
Judy Cao, BS
Western University of Health Sciences, College of Optometry
Maureen Powers, PhD

A Retrospective Analysis of the Optometric Use of Yoked Prism in Patients with Acquired Brain Injury

Surbhi Bansal, OD
Nova Southeastern University, College of Optometry
M.H. Esther Han, OD
Kenneth J. Ciuffreda, OD, PhD
SUNY College of Optometry

Parent Responses on a Visual Behavior Questionnaire: A Comparison of Responses for Children and Adolescents with Autism Spectrum Disorder (ASD) with Those of Typically Developing (TD) Peers

Rachel A. “Stacey” Coulter, OD, MS
Deborah Amster, OD
Annette Bade, OD
Yin Tea, OD
Gregory Fecho, OD
Erin Jenewein, OD, MS
Jacqueline Rodena, OD
Nova Southeastern University, College of Optometry
Kara Lyons, PsyD
G. Lynn Mitchell, MAS
Nicole Quint, DrOT, OTR/L
Sandra Dunbar, DPA, OTR/L
Nova Southeastern University,
College of Health Care Sciences
Michele Ricamato, MA, CCC
Jennie Trocchio, PhD
Bonnie Kabat, BA
Chantel Garcia, OD
Irina Radik, OD
Nova Southeastern University, College of Optometry

Quick Hits

Echoes from a Research and Vision Care Sabbatical at Walter Reed Hospital Caring for Wounded Warriors

Hannu Laukkanen, OD, MEd
College of Optometry at Pacific University

Presbyopia and Computers ... What a Pain in the Neck!

Tressa F. Eubank, OD
Annie Y. Hao, BS, Southern College of Optometry

Treating Spatial Awareness in Patients with Autism

Mary Bartuccio Valentino, OD
Southern College of Optometry

Going Beyond Counting Fingers – The Importance of Numerosity

Curis Baxstrom, OD, MA

Children with Reading Problems: You Can Learn a Lot by Asking Questions and Listening

Gary J. Williams, OD

The online version of this article contains digital enhancements.

Very successful, growing optometric practice in Reno, Nevada, area for sale!

- General optometry, vision therapy and low vision
- Single doctor practice over 32 years, ready to retire; grossing well over \$1.25 Mil. per year
- Very desirable location, recently redecorated and appraised

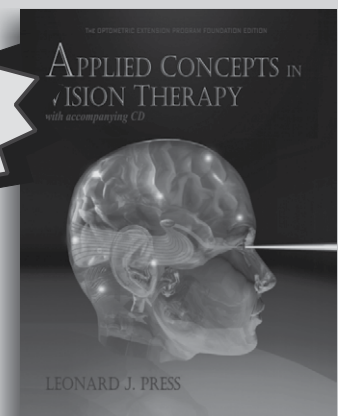

PLEASE CALL 877-632-2020 for more information.

APPLIED CONCEPTS IN VISION THERAPY

The OEP Edition with accompanying CD by Leonard J. Press

- Covers a comprehensive array of topics on vision therapy, all in one place!
- Written and edited by 10 experts who have extensive experience incorporating vision therapy concepts successfully into their practices.

Plus . . . a FREE CD included with supplemental practice management forms, report templates, etc. Lets you modify and print all items for your own use!

APPLIED CONCEPTS IN VISION THERAPY is a valuable resource that will enhance your practice!
Softbound, 404 pages.
#OEPLJP \$95.00

NOW INCLUDES ACCESS TO DR. PRESS' SUPPLEMENTAL ACiVT BLOG!
